6. Support split screen, multimedia display;
7. Auto copy videos & pictures, auto-save after power-off;
8. Unique sizes can be customized;
9. Flexible structure design like open & enclosed frame for different scenarios;
10. Integrated Android 9.0 rooted Solution;
11. With CE FCC ROHS certification;

Application

Shelf Edge LCD Display is a new force in the digital retail era, which is a perfect substitute for traditional paper price tags. Kerchan 35.1 inch Android based shelf edge LCD screen display is a great way to advertise your product or service in retail P.O.P. or P.O.S environments by displaying with your custom videos to boost your sales and bring a better shopping experience for your customers, which is widely used in retail stores, restaurants, bank, supermarket, airport, hospital and any commercial and public in-store environment. Shelf Edge Display solves this kind of tedious work and frees up more labor and time. It can display product details, dynamic and gorgeous video animations, and stimulate consumers to buy more. At the same time, it also played a role in advertising.

35.1 inch Android Based Shelf Edge LCD Screen Display

Specification

Description
